CCNA 2 Activities Lab Manuals Packet Tracer Instructions ...

This lab was a simple example using VoIP, but let ' s go further. In our second lab we change some things: we ' ll use a 3560 type multilayer switch. This will provide Power over Ethernet, so we don ' t need to use the power adapters of the phones ; we want to connect traditional analog phones to our system and use them the same way as VoIP devices; we want to automate the registration process ...
