Code 3 2100 Lightbar Wiring Diagram - schematron.org
I have an older arrowstick as-10 with the following wire colors, black, yellow, orange, blue, grey, brown, & green. I know black is the positive & each other color matches a segment on the light when I power it. my problem is all the diagrams I have found for the controller, dont match the colors I have. unfortunately, the box doesnt have the schematic on it. I opened it up as well & the only ...
