~~DOUBLE PLAY | meaning in the Cambridge English Dictionary~~

It is actually possible to double-play a co-op race in Mario Kart Double Dash, due to the game having two people in carts rather than one; the process involves holding the driver's controller on top of the rear guy's and playing as if it is one huge, complex controller. While the nature of this setup makes getting mini-turbos and aiming items much more difficult; having the ability to punch rivals - spinning them out AND stealing their items, the ability to nudge yourself using said punch to ...
