The second-generation Ford Escape was introduced in 2006 but began production in 2007 for the 2008 model year. The third-generation Escape was released in 2012 for the 2013 model year. Most of the internals of previous model years were carried over for the 2008 Escape but included a new electronic stability control system and the Ford family navigation system. The second-generation Escape also ...
