Director of long term care admissions Jobs | Glassdoor

A director of nursing is a registered nurse who supervises the care of all the patients at a health care facility. The director of nursing has special training beyond the training of a staff nurse for the position that pertains to health care management, and in some places, a director of nursing must hold a special license in order to be employed in that capacity. The director of nursing is one of up to seven directors at a typical health care facility. The other are the directors of food servic
