Ed Tick is a therapist who talks about War in the language of the soul, and the soul is how veterans understand their own experiences. Having worked with vets since Vietnam and being frustrated with conventional therapies that haven't worked, Ed Tick turned to indigenous and classical cultures to find effective ways to work with returning warriors.

War and the Soul: Healing Our Nation's Veterans from Post ...

Their shamans and spiritual healers practiced many forms of soul healing and retrieval. We will explore this phenomenon of soul wounding and soul loss, particularly in the context of war, in the chapters that follow. First, however, we must be clear on what we mean by the term soul. The soul is at the center of human consciousness and experience.

War and the Soul: Healing Our Nation's Veterans from Post ...

In Part II, he examines the relations between the myths and the realities of war, exposing the "soul wound" of a warrior's identity wasted in sacrifice, suffering, and witnessing Hell's particulars. The book presents hard, and surprising data, on the scale of war, In Part III, "The Long Road Home", the healer sets the "wound" in its mythic and signed context, looking to the transformative role of the Soul in healing.

Dr. Edward Tick has written a book that gathers wisdom from our mythic ancestors about healing the aftermath of war. As a Viet Nam Veteran I have suffered with Post Traumatic Stress Disorder, PTSD and Dr. Ticks book War and the Soul has been the only out of many books I have read that truly address the fact that PTSD is a wound that occurs in the soul of the soldier.

War and the Soul: Healing the Warrior's Wounds with Edward Tick War occurs in an altered state as does the wounding of body and soul. The experiences of war can only be understood from an altered state, and given this, their true healing comes through altered states. The medicinal use of altered states is the realm of the shaman.

War and the Soul: Healing the Warrior's Wounds with Edward ...

War and Soul Healing What does it really take to heal the particular wounds that come from the experience of war? War healing can be accomplished if we take that healing on as a spiritual journey that will have shamanism, initiatory ordeals, and the resolution of the experience of combat along that path.
